

Arthroplasty Opportunity— Marin County

Surgeon Opportunity in Marin County, CA
Just Across the Golden Gate Bridge from San Francisco!

At MarinHealth, we empower our providers to practice medicine the way it was meant to be – putting patients first. We are on a mission to create a culture of providers who enjoy collegiality and collaboration, and share our commitment to providing world class care, clinical excellence, and an exceptional patient experience. We offer a supportive environment, an exceptional staff, and beautiful locations in the heart of Marin, Napa, and Sonoma counties. We have a strategic alliance with UCSF Health, providing advanced care and special programs at MarinHealth Medical Center and all of the MarinHealth Medical Network clinics.

The Position

The MarinHealth Orthopedic Care | A UCSF Health Clinic is looking for an exceptional arthroplasty surgeon to join our expanding team. Each year, our orthopedic specialists care for thousands of patients, covering the full range of orthopedic care from prevention and diagnostics to treatment and rehabilitation. Our team is exceptionally collaborative and includes board-certified surgeons, along with specialized radiologists, physiatrists, nurse practitioners and physician assistants, physical and occupational therapists, and orthopedic and spine navigators. MarinHealth Medical Center is the only hospital to offer dedicated orthopedic trauma services in Marin County. Our dedicated team takes pride in offering the most advanced surgical techniques and has access to state-of-the-art equipment, devices, and new operating suites, with dedicated surgical block time. Our hospital campus, which opened two brand new towers including all private patient rooms and state-of-the art operating and interventional suites.

The Position

- Join a well-established network of primary care, orthopedic, and specialty providers
- Full-time position, serving the highly desirable communities of Marin and the North Bay
- Employment through UCSF
- Robust referral base
- Exciting growth opportunity with strong clinical, administrative, philanthropic, and marketing support
- Participate in call panel, covering 5 shifts per month
- Main clinic located in San Rafael, with outreach clinic locations available throughout the North Bay
- Dedicated midlevel support for the orthopedic program
- Opportunities to participate in research and collaborate on clinical projects at UCSF and with other departments
- Epic electronic health record utilized

Arthroplasty Opportunities

Qualifications for this Position

- M.D. or D.O.
- Applicants must be board eligible or certified with the American Board of Orthopedics
- Accredited fellowship training in arthroplasty
- Licensed or eligible for licensure in California
- Possess leadership experience, entrepreneurial spirit, and an interest in expanding our Orthopedic Program in Marin and the broader North Bay
- Exhibit excellent communication skills and be able to develop strong relationships with patients, as well as sensitivity to cultural and linguistic differences
- Practice evidence-based medicine and possess a strong philosophy of excellence in patient care and excellence in the overall patient experience

Compensation

Initial salary of \$370,000 for physicians coming directly out of fellowship with higher salary rates for mid career physicians. Additional compensation available through on call payments and bonus. As faculty within the University of California you would be entitled to full benefits including retirement benefits. Academically productive candidates could be eligible for the University of California home loan program. <http://tiny.ucsf.edu/homeloanprograms>

The North Bay: The Perfect Place To Live And Work

More than just a place, the North Bay is a state of mind. One that lives in all of us who love the land — and the lifestyle — available right out the front door. As often as we can, we walk, run, hike, bike, swim, or paddle, taking in the natural beauty of all that surrounds us. And somewhere between the beaches, the bay, Mt. Tamalpais, and the redwood forests, we find balance, energy, and inspiration. Put simply, the North Bay is transformative and healing. It's a beautiful place you can call home. You can choose to live in San Francisco, Marin, or Sonoma County!
